

## J. Bolling Sullivan, III

Date and Place of Birth: March 19, 1940  
Rome, Georgia

### Education and Research Experience:

A. B.S., Cornell University, Ithaca, 1962 (zoology)  
Ph.D., University of Texas, Austin, 1966 (genetics)  
P.H.S. Postdoctoral Fellow, 1966-1969, Duke University, Durham  
(biochemistry)  
Assistant Professor, Department of Biochemistry, Duke University 1970-  
1976  
Associate Professor, Department of Biochemistry, Duke University 1976-  
1985  
Laboratory building, equipment and all research articles lost in fire, 1980  
On leave of absence from Duke University 1985-1995.  
President and owner of Gaskill's True Value Store (hardware, nursery,  
small engine sales and repair, feed and seed) 1975-2000  
Currently retired  
Board of Directors: Branch Banking and Trust Corporation (local board),  
The Tiller Charter School (1999-2008)  
Research Associate: Florida Department of Agriculture (1980- )  
Research Associate: Carnegie Museum of Natural History (2002-  
Research Associate: Smithsonian Institution (2003-  
Research Associate: Institute of Biodiversity, San Jose, Costa Rica (2003-  
Member Executive Committee, Lepidopterist's Society (2001-2004)
